ORDER:

In the G.O. first read above, orders were issued prescribing the Artificial Insemination charges in respect of Artificial Insemination conducted by the staff of Animal Husbandry Department to charge Rs.35/- for each Artificial Insemination and remit an amount of Rs.20/- to A.P.. Livestock Development Agency, Hyderabad and in respect of Artificial Insemination conducted by the Gopalmitras, the Gopalmitras can charge up to a maximum amount of Rs.50/- for each of the Artificial Insemination conducted by them and the Gopalmitras shall, however, remit Rs.20/- for each Artificial Insemination conducted to the account of A.P. Livestock Development Agency and can retain the rest of the amount, subject to the maximum of Rs.30/- as their service charges.

2. The above orders have been modified and in the G.O. second read above, revised orders have been issued for collection and remittance of Artificial Insemination charges as follows:

- a) In respect of Artificial Insemination conducted by the Departmental staff of Animal Husbandry Department at the headquarters level i.e., at the Veterinary Institution, an amount of Rs.10/- (Rs. Ten only) per each A.I. shall be charged which will be remitted to the A.P. Livestock Development Agency, Hyderabad;
- b) In respect of Artificial Insemination conducted by the Departmental staff of Animal Husbandry Department at the doorstep of the farmers, the staff concerned are allowed to charge Rs.25/- (Rs. Twenty five only) per each A.I. and shall remit an amount of Rs.10/- to A.P. Livestock Development Agency while retaining Rs.15/- for their transportation charges; and
- c) In respect of Artificial Insemination conducted by the Gopalmitras at the doorstep of the farmers, the Gopalmitras are allowed to charge up to a maximum of Rs.40/- (Rs. Forty only) per A.I. and shall remit an amount of Rs.10/- to A.P. Livestock Development Agency while retaining Rs.30/- for their transportation and doorstep services.

3. In the reference third read above, the Chief Executive Officer, Andhra Pradesh Livestock Development Agency, Hyderabad has reported that Government have permitted the A.P. Livestock Development Agency to generate funds by collecting Artificial Insemination fee for ensuring continuous production and supply of inputs for the cattle breeding programme in Andhra Pradesh. For running the activities of A.P. Livestock Development Agency, the revenue out of Artificial Insemination remittances is very much required and keeping this in view, Government has enhanced the cost of Artificial Insemination fee in the reference first read above and permitted for remitting Rs.20/- for every insemination done into the account of APLDA. In the reference second read above, Government has issued orders reducing the Artificial Insemination fee by remitting Rs.10/- per Artificial Insemination into the account of APLDA. This has resulted in 50% deficit to APLDA out of Artificial Insemination

contd....p.2

remittances per annum, and it has become very difficult for the APLDA to ensure smooth implementation of the breeding programme in the State. If expansion of the Artificial Insemination activity as ordered by the Government is taken up for total coverage of Breedable population, there is a possibility that the expenditure will be increased two folds and it would be still more difficult for APLDA to run the activities. The A.P. Livestock Development Agency has sustained a loss of revenue from Artificial Insemination receipts to a tune of Rs.1.00 crore during 2007-08 and Rs.5.00 crores during 2008-09 due to reduction of Artificial Insemination fee. In view of this, the Executive Committee of APLDA in its XXIV meeting has resolved to request the Government for enhancement of Artificial Insemination charges. Hence the Chief Executive Officer, A.P. Livestock Development Agency has requested the Government for release of Rs.6.00 crores to compensate the loss of revenue due to reduction of Artificial Insemination fee and additional burden of payment remuneration to the Gopalamitras.

4. After detailed examination of the matter and in supersession of the orders issued in the G.O. second read above, Government hereby order for collection and remittance of the following Artificial Insemination charges:

- 1) In respect of Artificial Insemination conducted by the staff of Animal Husbandry Department at the headquarters level i.e., at the Veterinary Institutions, an amount of Rs.20/- (Rs. Twenty only) per each A.I. shall be charged which will be remitted to the A.P. Livestock Development Agency, Hyderabad;
- 2) In respect of Artificial Insemination conducted by the staff of Animal Husbandry Department at the doorstep of the farmers, the staff concerned are allowed to charge Rs.35/- (Rs. Thirty five only) per each A.I. and shall remit an amount of Rs.20/- to A.P. Livestock Development Agency while retaining Rs.15/- for their transportation charges; and
- 3) In respect of Artificial Insemination conducted by the Gopalamitras at the doorstep of the farmers, the Gopalamitras are allowed to charge up to a maximum of Rs.50/- (Rs. Fifty only) per A.I. and shall remit an amount of Rs.20/- to A.P. Livestock Development Agency while retaining Rs.30/- for their transportation and doorstep services.

5. The Director of Animal Husbandry and the Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad shall take necessary action accordingly.

6. This order issues with the concurrence of Finance Department vide their U.O.No.27937/369/A1/Expr.AH&F./2008, dated 24.10.2008.
